**LETUS & DEPTH-OF-FIELD ACCESSORIES VIDEO RATE CARD**

Effective 06-09-10

*Supersedes all previous rate cards*

**LETUS 35 ADAPTERS**

*All Letus adapters include a Version 1 adjustable rodset/riser with extended rodsets, adapter support/riser  
Please indicate thread-mount (or camcorder) and choice of lens mount*

**EXTREME** The industry's new leader in light efficiency with only 1/2 stop of light loss. For use in most situations. **175.00**

**ELITE** This adapter shares the same features of the Extreme but adds a back focus adjustment ring and the same optimized achromat lens found in the Letus35 Ultimate. Same lens and T-mount options as EXTREME, same rod support risers. Recommended if using PL or OCT19 mount lenses due to small variations inherent in their construction. **225.00**

**THREAD MOUNTS**

*Fits directly on the camcorders front-of-lens threads*
